

Mr. Scott Sweers  
Luxxor Campus Shuttles  
President  
1601 E. Army Post Road  
Des Moines, Iowa 50320  
515-868-1819

Letter of Recommendation:

Dear Mr. Sweers,

I wanted to write to you to thank your team for many years of dedicated service to our projects and mission. Turner Construction has been partnered with Luxxor Campus Shuttles since 2016 to provide safe and efficient access for our workforce on our large-scale campus projects. Your team is a "Safety First" minded company with your actions representing that. You have provided the proper leadership to complete your scope of work and made the issue of campus workforce transportation an afterthought for your team. Your drivers are professional and polite to every worker that they service, and we have noticed a significant increase in workforce morale since implementing a campus shuttle service. I look forward to working with your team in the future and continuing to change the industry standard with your approach toward campus shuttles.

Sincerely,

A handwritten signature in blue ink, appearing to read "Justin Calhoun".

Justin Calhoun  
Project Manager  
Turner Construction Company
